OUHOUT MEUBELS is the most dynamic and trusted hand-made furniture manufacturer of our time.

To keep up with the high end market we serve today, OUHOUT MEUBELS has 17 well established stores country wide, which has the widest variety of full grain Leather Sofas, Solid Wood Furniture and fabric couches available.

Clients can choose from various types of solid wood like: Oregon, Blackwood, Pine, Sleeper wood, Oak, Yellowwood, Kiaat, Jarrah, Ironwood and Teak.

The choice is further extended by unique finishes like: Paint Technique, French Antique, Lime Wash, White Wash, Colour Wash, Staining, and either the smooth or rustic finishes of Sleeper Wood.

The specialists at OUHOUT MEUBELS manufacture each unique piece individually and have the experience and expertise to design and build almost anything. Furniture is often made to the specification of the client to suit their personal needs whether it may be modern, classic, contemporary, cottage or even farm style.

*Quality furniture for a lifetime*
